

Torpeza Rítmika is a funny character born from the union of spontaneous clumsiness and rhythm, which creates an elegant show of interactive imagination full of humor and poetry. The comedy and improvisation with the public along with acrobatics (Cyr wheel) and a sweet and eccentric clown are the ideal conditions to catch the colors of her universe.

The gracefulness of her feminine strength dazzles the audience when she is on the Cyr Wheel. The show « The Rose of Sand » has proved its worth on four continents and over forty countries.
